

CanBusPort.h

```
graph BT; CanBusPortcpp[CanBusPort.cpp] --> CanBusPorth[CanBusPort.h];
```

The diagram illustrates a file dependency. A box labeled 'CanBusPort.cpp' at the bottom has a blue arrow pointing upwards to a box labeled 'CanBusPort.h' at the top. The 'CanBusPort.h' box has a light gray background, while the 'CanBusPort.cpp' box has a white background. Both boxes have a black border.

CanBusPort.cpp
